Supporting Humanist Schools in Uganda

- Cash donations** are particularly welcome as they enable the schools to buy necessary books and learning resources and make provision for art, music and sports. They also allow us to help the schools to ensure that teachers are paid adequately and to make infrastructure improvements such as water supply, electricity, kitchens, toilet and washing facilities.
- Scholarships** for the secondary schooling and boarding of needy children. £420 meets the costs for one year of school fees, hostel accommodation, uniform, school food, exercise books and writing materials and helps to raise standards for all children. While one-year scholarships are very welcome, we would encourage donors to consider maintaining them for 4 years to see each child through their schooling. £210 pays for a half scholarship.
