Katumba Secondary School Appeal 2023

We would welcome your help in bringing secondary education to Katumba Parents Humanist School, which serves a struggling community near the Congo border in Western Uganda.

The proposed developments will enable the school to educate children in their home community for the whole of their education from kindergarten to O-level at the age of 16.

2023 1st Phase fundraising target £35,000

Construction goals

- **Multi-purpose Hall.** This will enable the school to register as an examination centre, so that children can take national exams within the school. In an area with torrential rain, it will also provide shelter for music, dance, drama, debates and school and community activities.
- **Senior 1 Classroom and Science Lab** with storeroom, water supply and sinks. This will enable children completing their primary schooling in 2023 to start Senior 1 of their secondary schooling in February 2024.
Funds raised beyond the 1st Phase target will be carried forward to the next phase of development.
