Supporting the work of Humanist Schools in Uganda

1. **Cash donations** are directed towards: Primary Teacher/Child Appeal or most pressing current needs across all schools such as essential books, learning resources, art, music and sports. They ensure that teachers are always paid and cover improvements and repairs to water supply, toilets, washing facilities, kitchens and school buildings.

2. **Scholarships** for the secondary schooling of talented but needy children.

£20 per month (£240 per year) pays the **day schooling** for a child for one year, including tuition, uniform, breakfast and lunch, exercise books and writing materials.

£35 per month (£420 per year) covers the additional costs of **full-boarding** which is a lifeline for many girls, orphans and other vulnerable children – allowing them to live, study and play safely in the caring environment of the school. *Scholarship payments help to raise standards for all children. While one-year scholarships are very welcome, we encourage donors to consider supporting their child for 4 years so that they can complete their Secondary School Certificate.*
