P.O Box 58,
Kasese.

17th April, 2024.

My name is Kabugho Gevina,

Head girl Kasese Humanist Primary school. We thank Uganda Humanist School Trust for giving the girls good pads. We have been facing problems to get pads, they are expensive to buy every month and this has been leading us into unhealthy relationships.

We thank you very much for thinking about the girl child in school. Our class attendance shall improve and our confidence in class shall also improve.

Afri pads are comfortable while using them.
Thank you.

School headgirl.
