CHILD SPONSORSHIP PROGRAM 2025: Empowering Young Minds

Dear Sponsors,

We are writing to appeal for your support in providing scholarships to deserving students at Katumba Parents Humanist Nursery and Primary School. Our school is dedicated to providing decent education to children from disadvantaged backgrounds, and we believe that every child deserves the opportunity to reach their full potential.

The Need:

Many of our students come from families who struggle to make ends meet. Despite their best efforts, these families are unable to afford the costs of education, leaving their children at risk of being left behind. By providing scholarships, we can help bridge the gap and ensure that these children receive the education they deserve.

The Impact:

Your support will have a direct impact on the lives of our students. By providing scholarships, you will be helping to:

- Provide access to decent education for disadvantaged children
- Empower young minds and help them reach their full potential
- Break the cycle of poverty and create a brighter future for our students and their families

Annual Cost of Primary Scholarships: Day scholarship £175, Boarding scholarship £350 pounds sterling.

This pays for: Tuition, Meals, School Uniform, scholastic items like books, pens, pencils, examinations and first Aid. Plus, for boarding, a place in shared supervised accommodation

What the Sponsor Should Expect:

- Regular updates on sponsored child's progress
- School update on our schools social media – Facebook.
- Transparent accounting and reporting on how funds are utilised.
- A sponsor may pay scholarship funds annually, termly or monthly.
- A sponsor can write to his /her sponsored child through the school mailing address.
- A sponsor can visit his/her sponsored child with arrangement between the school and the host family.
- Gifts to the sponsored children are welcome and can be delivered to beneficiary children.
- Each end of year, we release an annual report and our supporters get a copy of it by e-mail.
